

Employer List (Partial) – Fall 2005

This document offers a brief overview of some specific employers covered in the A+ Summer Jobs service. This is only a partial list and excludes approximately half of the employers in our program. We invite you to compare the breadth of opportunities profiled in this partial list with any single resource available – online or offline.

In addition to the employer profiles listed here, 350 pages of editorial content, and over a dozen online videos, each student also receives a personalized account that allows them to create a personal favorites list, resumes and cover letters, and an interactive application tracking tool.
